Some helpful tips for those attending virtually can be found below:

- If you are not “camera-ready,” you can turn off your camera and your profile image will show up. When you first enter the room, be sure to mute your mic. The host can also mute anyone or have participants leave, but participants will have to manually unmute their mic to talk.
- Please keep your mics muted during the meeting.
- If you have a question that you would like to ask, please type your question into the chat box. The School Council Chair will monitor the chat.
